

Carline Commandments

The process & expectations for dropping off and picking up your CCS student.

- 1. Keep the line moving.** We know you're on your phone—just pay attention.
- 2. Don't conference in Carline.** Call the office, email the teacher, or schedule a conference.
- 3. Don't park in carline.** Park in the parking lot (501 N. Main St).
- 4. Carline is only along Stayton—** please only let your student exit on Stayton. Due to the danger of high traffic and fast-moving cars on Bridge & Main during these designated times, the City has not authorized drop-off on these streets.
- 5. Be prepared for carline.** All related parties should be ready to go once you enter carline.
- 6. Practice patience—**refrain from cutting and honking. It's never too early to teach our kids how to make lemonade when the world gives you lemons.
- 7. Don't be late to carline.** Carline is 8:15-8:30am and 2:30-2:45pm. Pickup after 2:45pm results in a \$50 fee applied in FACTS.
