CAMPUS HIGHLIGHT

American Sign Language

Students can take ASL as an elective for foreign language through Bright Thinker! We also have a special guest, Tonya Taylor, M.Ed. Coordinator of Victoria-Regional Day School Program for the Deaf serving 39 districts, donating her time, as her schedule allows, to show sign language to the students!

I want to thank Ms. Taylor, she refused any compensation and is using her lunch break to stop by for the students! She contacted us and said she heard we moved to the Mitchell Building. She loves our school, and she loves this building! If you ever see her around town, say thank you!

WHAT STUDENTS ARE SAYING...

Bright Thinker offers a more effective way to engage all learners with various educational needs. Students will discover their learning style, learn how to use time effectively, acquire listening skills, and learn tips for taking better notes.

Already our students' note taking skills show improvement. They are asking questions and learning more!

"Bright Thinker is so much easier than 'insert previous curriculum here' "

"I'm making a 100 in algebra 2"

"I'm very happy to be at Crossroads than at 'insert previous school here' "

CAMPUS ELECTIVES:

Cosmetic Classes: Learn the art of makeup!

Wednesdays/Thursdays 2:45-3:45

EXTRA
BONUS

MARK YOUR CALENDARS:

Cosmetology - Gardening - Sewing & More!

Cosmetology Classes

Emerging cosmetologists will be glad to hear that we are finalizing the syllabus and course details!

Gardening

We LOVE our location, and we are blessed to have a landlord that gladly allows all kinds of collaborations for the betterment of CCS Students. We are in talks to have a local organic farmer mentor our students in growing fruits and veggies in raised garden beds on this beautiful campus! What do you want us to grow? We 'll be sending it home with your child!

Sewing

Remember when we had sewing and knitting and cross stitch and all the fun?

Well...it's coming back.

And More!

Crossroads Art House (CAH) Wednesdays 2:45-3:45

Former CAH art student, Ember Pedersen will be downstairs Wednesday's from 2:45pm-3:45pm to help local students with their choice-based projects. The cost is \$90 for a six-week session, all materials are included: charcoal, acrylics, watercolors, oil pastels, chalk pastels, and many more to choose from. Students will plan their composition and then implement, with the option to enter VASE and other art competitions.

Questions? Please feel free to call 719-722-4115.

LUNCH
TIME

We are in talks with a local eatery to provide campus lunches! YAY! Fingers crossed!

Thank you for your continued LOVE and support. We wouldn't be here if it weren't for you!
